

## Media and Press Inquiries

### POINT OF CONTACT:

Morgan Rothenberger

785.488.6947

[morgan.rothenberger@st-francis.org](mailto:morgan.rothenberger@st-francis.org)

Contact Morgan to be put in touch with national resources about:

- Trauma-Informed Care;
- The long-term impact of trauma on the educational, child welfare, justice and social systems;
- Best practices for incorporating the science and research on preventing and addressing trauma into legislation
- Evidence-based research;
- The connection between Adverse Childhood Experiences and lifelong behavioral, mental, and physical health issues;
- And numerous other subjects about preventing and addressing childhood trauma and building resilience.

In addition to contacting Morgan, please also visit our webpage for additional information and resources: [CTIPP.org/NationalTraumaCampaign](http://CTIPP.org/NationalTraumaCampaign). Please visit our Media Resources tab in the future, as it will be continuously updated.
